This section provides key information relating to the role

Job Title:	Assistant Finance Business Partner		
Post No:	P00061	Grade:	H/J
Team:	Financial Services	Location:	Campus East
Responsible to:	Finance Business Partner		

Overall job purpose:

The post-holder will assist the Finance Business Partner in the provision of accountancy and technical finance advice and challenge in a business partner approach. This includes assisting in the preparation of budgets, budgetary control, and the preparation of annual accounts along with financial advice and analysis to ensure robust financial management.

Key areas of focus:

1.	To provide a high standard of accounting services and financial control within a framework of statutory and internal controls, including the Local Government Accounting Code of Practice and the Council's Financial Regulations.
2.	To work with the Business Partner to actively contribute to the Council's budget preparation, budgetary control, closure of accounts and provision of support for service managers.
3.	To work with the Business Partner to ensure that service managers are provided with sound financial advice and challenge, enabling them to manage their budgets effectively within existing governance arrangements, and supporting the identification of areas of risk, efficiencies and improvement.
4.	To contribute to the production of the Council's annual statement of accounts, including working with service managers and budget holders to support their roles and responsibilities and completing tasks and working papers as required.
5.	To support services and budget holders on all aspects of finance. This includes ledger maintenance, general budget monitoring support, the identification of budget variances, financial appraisal of projects and to support services by analysing and interpreting complex financial information in order to ensure value for money is achieved in the delivery of services.
6.	To assist in providing advice on the application and interpretation of financial regulations and the Council's financial procedures and practices, ensuring they are adhered to.
7.	To assist the Finance Business Partner in providing advice using analysis to support and contribute to financial strategy, decision making, service reviews, business cases and options appraisals.

8.	To keep up to date with relevant legislation and technical and professional guidance and attend such training, conferences and meetings as required.
9.	To promote equality and diversity in the workplace and in the services of the Council and to deliver the Council's equalities and diversity priorities.
10.	The ability to converse with ease with other staff and members of the public and to provide advice in accurate spoken English is essential for this post.
11.	Any other duties that are commensurate with the level and grade of this post.
