

WELWYN HATFIELD

Dear Candidate,

I am delighted that you have shown interest in our Assistant Director - Leisure, Community & Culture role.

Welwyn Hatfield is a beautiful borough just outside of London with good transport links, open green spaces and strong civic pride.

We are an ambitious, forward-thinking Council, with high quality leisure, sport and cultural offering alongside housing that meets the borough's needs. We maintain beautiful lakes, parks, golf courses along with swimming and leisure facilities. Our Campus West cultural centre houses a cinema, theatre, escape rooms, gallery, a roller rink, and soft play centre. Our events and facilities bring our residents together and attract visitors from far and wide. Our supported housing and allocations teams provide housing and support to those most in need. Our track record of delivery is strong.

We are looking for an exceptional professional who wants to drive change and make a real difference. You will need a passion to deliver better outcomes for our residents with a strong leisure and cultural understanding, alongside supporting residents.

We are a friendly and motivated team with common goals and supportive management team. Our organisational culture is collaborative and open with a real focus on excellent outcomes.
