

Role Profile

This section provides key information relating to the role

Job Title:	Finance Business Partner		
Post No:	P01477	Grade:	L
Team:	Financial Services	Location:	Campus East
Responsible to:	Senior Finance Business Partner		
Responsible for:	Assistant Finance Business Partner		

Overall job purpose:

The post-holder will provide support to services in a business partnering approach, working with service managers, councillors and other council employees. This includes the preparation of budgets, budgetary control, the preparation of annual accounts along with financial advice and analysis to ensure robust financial management and aid strategic and operational decisions.

This post is one of three Finance Business Partners within Financial Services, each of whom is responsible for providing financial support to specific areas of the organisation.

In addition to providing support to services, the Business Partners provide support to the Senior Business Partner to improve existing processes and controls, strengthening governance and continually improving the quality of information used to support the Council's decision making.

Key areas of focus:

1.	To provide a high standard of accounting services and financial control within a framework of statutory and internal controls, including the Local Government Accounting Code of Practice and the Council's Financial Regulations.
2.	Actively contribute to the Council's budget preparation, budgetary control, closure of accounts and provision of support for service managers.
3.	Ensure that service managers are provided with sound financial advice and challenge, enabling them to manage their budgets effectively within existing governance arrangements, and supporting the identification of areas of risk, efficiencies and improvement.
4.	Undertake complex financial analysis and modelling on legislative changes, tender appraisals, operational and strategic business decisions. To provide advice using analysis to support and contribute to financial strategy, decision making, service reviews, business cases and options appraisals.

5.	To provide technical accounting advice, including drafting reports, attending and contributing to working groups, project groups, member briefings and member working groups as required, representing Financial Services on any financial matters. To provide advice on the application and interpretation of accounting standards, financial regulations, procurement standing orders and internal financial procedures and practices.
6.	To contribute to the production of the Council's annual statement of accounts, meeting internal and legislative deadlines and applying relevant accounting standards and legal requirements, liaising with the external Auditor where necessary.
7.	To be responsible for the day-to-day management and ongoing development of Assistant Business Partners and also an apprentice or trainee when required.
8.	Ensure that an effective financial performance culture is maintained, including meeting deadlines, robust reporting, accuracy of financial transactions, timely completion of Government and other returns and maintaining key financial records and controls.
9.	To promote equality and diversity in the workplace and in the services of the Council and to deliver the Council's equalities and diversity priorities.
10.	The ability to converse with ease with other staff and members of the public and to provide advice in accurate spoken English is essential for this post.
11.	Any other duties that are commensurate with the level and grade of this post.
